Call for Abstracts

2021 Washington State American College of Cardiology Meeting

November 6-7, 2021

VIRTUAL FORMAT

Showcase your clinical cases and original research at our annual Washington American College of Cardiology chapter meeting!

Abstract Submission: Submission of original abstracts related to cardiovascular disease are invited and will be considered for poster presentations during the conference. The poster session will take place from 12:00pm-1:00pm Saturday Nov. 6th.

Abstract Categories:

1. Case Reports / Clinical Vignettes / Case Series
2. Basic or Clinical Research

Abstracts should be submitted in Word format and should not exceed 450 words, excluding title and authors. The presenting author must be listed as the first author in the list. All abstracts must be submitted via email to waacc@waacc.org.

Deadline: **October 15, 2021**. Acceptance notifications will be sent via email on **October 18, 2021**.

Presentations will occur during the lunch break at the annual meeting with authors presenting their cases/research at their individual poster stations. 1st place winners in each section will receive a \$1000 travel grant to any ACC meeting. 2nd place awardees will receive \$500 to be used towards any educational activities.

Presenting authors of accepted abstracts will be provided with complimentary registration to attend the conference. In the event we don't have a sufficient number of submissions for both categories, we will combine them into a single category and prizes will be awarded to one 1st and 2nd place winner.

Sincerely,

Gautam Nayak, MD, FACC
President, Washington Chapter
American College of Cardiology
