

"Treating Heart Failure Patients"

June 20, 2023

Cortina Restaurant 621 Union St
(7th & Union) Seattle, WA 98101

Learning objectives:

- ◆ Understand the prevalence & burden of HF in the US, & the intersection of HF with Chronic Kidney Disease
- ◆ Describe the use of dapagliflozin (Farxiga) in patients with HFrEF, the results of the Landmark DAPA-HF trial
- ◆ Describe the use of dapagliflozin (Farxiga) in patients with CKD, the results of the DAPA-CKD trial, focusing on a consistent benefit in those patients with CKD with and without a history of heart failure
- ◆ Describe strategies for implementation of dapagliflozin in clinical practice for the treatment of HFrEF"
